

Why An Independent Agent?

- We are a licensed professional with strong customer and community ties
- We give you excellent service and competitive prices because we can access the insurance coverage from more than one company
- Unlike other agents, we are not beholden to any one insurance company: thus, you don't need to change agencies as your insurance and service needs change
- We can assist you when you have a claim
- We can consult with you as you determine your needs
- We offer you a choice of insurance plans and programs
- We are a value hunter who looks after your pocketbook in finding the best combination of price, coverage, and service
- We offer one-stop shopping for a full range of products-home, auto, business, and life
- We can periodically review your coverage to keep up with your changing needs
- We treat you like a person, not just another number
